CREEKSIDE SHARING:

- Creekside Directories (regular and large print) are available in the Gathering Area.
- We are still seeking shoes for the Lent chancel. If you can loan us a pair of shoes which represent a journey for you, put them in the laundry basket outside the office door. You may take them home at any time. Thank you!
- Lent devotionals *"Through Thick & Thin"* by Beth Sollenberger are available in the Gathering Area. One per household, please.
- Mike and Cal have met and planned the garden layout for this year. There will have wider spacing between rows for easier access. Work days will be one evening and one morning a week for garden work; those days and times will be published in the future. Please consider your level of commitment to this ministry to our community. Mike or Cal would be glad to talk with you if you have questions and/or suggestions.
